To the resident/occupier,

## Yarra Trams Network Upgrade - changes to Glenferrie Road parking

We have been informed that access to off-street parking on Glenferrie Road will be impacted during the Yarra Trams Network Upgrade renewal works planned for **24 June 2022 to 11 July 2022**.

Public Transport Victoria (PTV) and Yarra Trams are replacing the existing tram tracks along Glenferrie Road. You should have received a letter from Yarra Trams advising of the works. Alternatively, you can read more on the Yarra Trams website:

**[www.yarratrams.com.au/service-changes/renewal-works-glenferrie-road](http://www.yarratrams.com.au/service-changes/renewal-works-glenferrie-road)**

**Glenferrie Road will be closed between Barkers Road and Riversdale Road from 9pm, Friday 24 June to 5am, Monday 11 July 2022.**

To carry out the works safely, there will be no vehicle access allowed onto Glenferrie Road during this time.

As a result, we will allow impacted residents to park **for free and without a permit** in any **2P street parking zone** or **permit parking zone** located within the boundaries of Barkers Road, Power Street, Riversdale Road and Auburn Road.

Parking will not be permitted in no-stopping, no-parking and clearway zones at any time. Additionally, normal parking conditions will apply to parking located directly on arterial roads, including Burwood Road, Riversdale Road, Auburn Road, Barkers Road and Power Street. Paid timed parking still applies in all locations.

You do not need to display anything on your vehicle, and you will not be fined if you have parked in a legal car parking space within the locations described above.
